

VENIAN®

Delivering Solutions ...

OVERVIEW

Venian has grown quickly into one of the UK's leading logistics and distribution support businesses providing warehousing and delivery solutions to some of the largest UK and European companies.

As distribution specialists, it's our business to respond quickly to planned, urgent or ad hoc requests which our clients present us with 24 hours a day, 7 days a week, 365 days a year. We run a large 3.5T fleet in excess of 200 vehicles and operate a number of strategically positioned warehouses to enable us to manage and support your distribution and logistics requirements throughout the country.

“

We collaborate effectively and support the needs of our partners, this is one reason the Venian model is quickly becoming the 'Partnered Solution' of choice to many sector leading organisations.
